1.) Outside in proximity to our Nature Center, Observation Building, or Woodland Building.

2.) Outside along public area of lagoon system.

3.) Outside along the trail system (West & East side) and Old Sanctuary Road.

\*limited indoor options available at \$2,500 level - call or email for details!

## A SPECIAL MEMORY

Honor a special person or occasion with a memorial bench at the Bay Beach Wildlife Sanctuary.

A memorial bench is a thoughtful and distinctive way to honor someone or something special while helping to beautify the Sanctuary and enhance visitor experience.

Our Memorial Bench Program allows groups and individuals to donate a bench to commemorate special events, honor individuals or agencies or as memorials to loved ones to be placed on the Sanctuary grounds.

Funds raised from the benches support the Sanctuary's mission to "Connect People with Nature."

As a keepsake, donors will receive a certificate to recognize their donation.
